The web site was started many years ago to share resources and information between clubs. When I started working in Awana as a leader, I realized how much more effective each of our ministries could be if we worked together to reach boys and girls with the Gospel, instead of working alone.

Feel free to use the resources on the site for your club (not for posting on other web sites) and all we ask is that your credit the individual who developed the form, or resource, when asked by others where you got it.

So visit www.commanderbill.net to be a part of this network!
